PROFESSIONAL SUMMARY

Passionate and self-driven Software Developer with over 7 years of experience in web development, specializing in PHP frameworks, CMS solutions (WordPress, Strapi, Payload), and modern Frontend technologies (ReactJS, Next.js). Strong background in technical problem-solving, server administration, and SEO optimization. Proven track record of delivering high-performance, scalable web applications for international and domestic clients.

TECHNICAL SKILLS

- **Backend Development:** PHP, WordPress, WooCommerce, Magento 2, Strapi, Payload CMS
- **Frontend Development:** HTML5, CSS3/SASS/LESS, JavaScript (ES6+), ReactJS, [Next.js](#), Bootstrap, Tailwind CSS, GSAP, Storybook
- **Database & Cloud:** MySQL, PostgreSQL, AWS Services, CDN Integration
- **DevOps & Tools:** Linux (Ubuntu, CentOS), Git, CI/CD, Manual Deployment
- **Other Skills:** Search Engine Optimization (SEO), English (B1 - Professional Working Proficiency)

WORK EXPERIENCE

PHP / Web Developer (Remote) | Xenia Tech / Miyagami

Oct 2022 – Jul 2026 | Team Size: 25

- Developed and maintained high-performance web applications across E-commerce, Booking, and Government sectors.
- Integrated modern Headless CMS solutions (Strapi, Payload CMS) with Next.js to build fast, SEO-friendly web solutions.
- Optimized Frontend performance using Tailwind CSS, GSAP animations, and Storybook component architecture.
- Managed Linux servers (Ubuntu, CentOS), CI/CD pipelines, and automated project deployments.
- Featured Projects: [ghosydney.com](#) | [scape.com.au](#)

Web Developer & SEO Specialist | Freelance

Oct 2020 – Oct 2022 | Hue City, Vietnam

- Analyzed client requirements and developed custom WordPress sites for Education, Business, and Media clients.
- Executed end-to-end SEO strategies, successfully ranking target keywords in Top 1–10 on Google Search Results.
- Handled direct client consultation, technical support, server configuration, and ongoing website maintenance.

PHP Developer | FPT Software Da Nang

Sep 2019 – Jul 2020 | Team Size: 25 | Da Nang City, Vietnam

- Contributed to enterprise-scale international projects in Japan (Yii 2) and South Korea (LG.com - Magento 2).
- Collaborated with cross-functional teams to analyze business requirements, develop GraphQL APIs, and write clean code.
- Awarded 'Good Performance' for key contributions to the LG project release.
- Featured Project: [lg.com/us](#)

PHP Developer | SEADEV Company

Sep 2017 – Aug 2019 | Team Size: 30 | Da Nang City, Vietnam

- Developed custom E-commerce and Hospitality websites using WordPress, LESS/SASS, and MySQL.
- Converted UI/UX design mockups into responsive, cross-browser compatible web interfaces.
- Gained practical experience with AWS cloud services, CDN setup, and server management.

- Featured Projects: yardzooks.com | binkleyhurst.com | hadanaboutiquedanang.com

EDUCATION & CERTIFICATIONS

Hue Center for Information Technology (Hue Aptech)

Certificate in PHP & MySQL Programming (Course K11) | Sep 2015 – Apr 2016

Vocational School No. 10

Industrial Electricity Diploma | 2008 – 2011

CAREER OBJECTIVES

- Short-term: Leverage technical expertise in modern PHP and Next.js ecosystems to build fast, scalable, and high-quality web applications.
- Long-term: Advance into a Technical Lead role to guide architectural decisions, mentor junior developers, and manage complex web projects.
